4) Mrs will be submitted after the
return of the file - for order

6/ Mun file relates to the installation of Jewell Filters at the Kadur water works at a cost of Rs 32,700/-. The estimate for Rs 32,700 submitted by the D C Kadur Dist has been sanctioned by the chief Engineer for Irrigation and forms to be worded

7/ The question of installing Jewell Filters for these water works has been taken up, in accordance with the instructions issued from this office to the chief Engineer for Irrigation, as ordered by the Dewan - Vide paras 74 and 81 of the notes of the collection vol 52 - 40 - 14 - flag N (flagged below) the estimate has been prepared according & submitted for the orders of Govt

8/ In regard to financing the work in question, the D C recommends sanction to the following proposals

Serial No

as submitted by the Local Municipal Council —

1) that the cost of the work may be financed by the Govt & the Mel el in equal proportions

2) that a loan equal to half the cost of the work may be granted to the Mel el in order to enable them to meet their share of the cost the loan is proposed to be repaid in 20 annual instalments with interest at the usual rate the income from the water Tax annuity Rs1,200 is said to have been earmarked for the repayment of the proposed loan

As

3) In this connection, it is submitted that the financial position of the Hatton Municipality for the year 46-47 is satisfactory — vide figures in the margin

Rs
Receipts — 39,589
Exp — 22,419
C B 8,170

10) During the year 1945-46 no grant has been given to the Hatton Municipality either out of the water supply grant or T D grant During the current 7c 1-6-

NOTE—Co tn Sheet

Sum of Rs 2,700/- has been given towards water supply works, as noted below -

1) Rs 2,000/- towards sinking a bore well as an urgent work

2) Rs 700/- towards the revised estimate of the main scheme

11) Towards the execution of the main water supply scheme at Kadur which was sanctioned during the year 1945-46 at an estimated cost of Rs 7270/- now revised to Rs 8,650/-, a total sum of Rs 6,700/- has been given as an outright grant (including a sum of Rs 700/- referred to under item 2 above)

12) In the above circumstances proposals for orders are -

1) Sanction to the estimate for Rs 32,700/- for the installation of newer filters at the Kadur water works, the cost being met by the Govt & the local bd in equal proportions

From

G N Nagaraja Rao, Esquire, M Sc,
Deputy commissioner,
Kadur District

To

J B Mallaradhya, Esquire, M A,
Secretary to Government,
Revenue Department-
Bangalore

Sir,

I have the honour to state that the question of supplying filtered water to the Kadur Town is under consideration for some time past During the visit of the Dewan to the Town in June 1945, he was pleased to instruct that the question of installing Jewell Filters in place of Slow sand Filters may be investigated In this connection I invite kind reference to your letter No L 192 dated 9th July 1945 addressed to the Chief Engineer for Irrigation, in the matter

2 An estimate amounting to Rs 32,700/- for installing the Jewell Filters has been received from the Sanitary Engineer, Bureau of Sanitary Engineering on 7th December 1945 An estimate for Rs 2600/- for the annual maintenance of the water works has also been received on 13th February 1946

3 The existing supply of water to Kadur Town is from Chikkangala tank The water is drawn through a 5" delivery main by gravity and is led on to the storage reservoir for distribution to the town after passing through the existing slow sand filters The slow sand filters are not working satisfactorily To overcome the difficulties met with the slow sand filters and to ensure speedy and effective filtration, Jewell-Filtration Filters of 6 feet diameter and 3000 gallons per hour capacity are proposed to be installed

4 As regards the financing of the scheme, the Municipal Council, Kadur have resolved on 4-3-46 and 20-3-46 that half the cost of the estimate be sanctioned by Government as a grant and the other half as a loan repayable in twenty annual instalments They have assigned the income of Rs.1200 realised from water-tax for the

for the repayment of the loan the finances of the Kadur Municipality are quite sound and capable of repaying the loan without undue burden I therefore request that sanction of Government may be kindly obtained for sanctioning a grant of Rs 16,350/- out of the Water Supply Grants for the current year An equal amount may be granted as a loan carrying interest at the usual rate and repayable in 20 equal annual instalment.

The connected records are enclosed for favour of reference

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner,
Kadur District

Encl. 3.
